CHAIRMAN'S MESSAGE

Dear Members and friends,

Welcome to Singapore and our first **2019 Edition of APSA Telegraph**. Last year I coined the phrase **ASIA RISING... and it is!** I'm pleased to report continued growth for APSA which means more revenue that we can use to promote the Asia region and our members in particular. Along with this growth we have been able to get the message out to more and more superyachts, and this year a record number are coming to Asia. Well done to all our members who work so hard to make Asia a solid cruising ground and permanent base for superyachts.

This year we continue **ASIA RISING** with a brand new design **APSA LOUNGE**. Please make sure you stop by and meet new and old exhibitors. Our Lounge participant members this year are **Cayman Islands Shipping Registry, OCEA, Hawk Yachts, Anglo Eastern Yacht Services, Navalimpianti Singapore, Affinity Management Services, Hong Kong Cruise and Yacht Industry Association and AIMEX/ Superyacht Australia.**

I want personally thank these entities for supporting APSA. Remember there will be functions and network drinks **every evening** of the show at the APSA Lounge, so come by and chat with your fellow members. This will kick off on **Thursday 11th April** with an **APSA Welcome Party** at 6pm.

Friday 12th April is APSA DAY!

On Friday at **11am** we have the first **APSA AGM** held in Asia. Previously it has been held in Monaco, but it was always difficult for members to attend. I encourage **all members** to attend the **AGM** and although this is a legal formality and often over quickly, there is a good chance to discuss association matters with the committee.

Directly following the AGM at **12 noon** we have the **APSA Networking Lunch and Forum** sponsored by **Tahiti Tourisme** and **Invest Hong Kong**. Food and drinks will be served with presentations from Tahiti Tourisme, Invest Hong Kong and Christophe Ceard from Swiss Ocean. Please take this opportunity to attend, learn and support these companies while having a fun networking lunch to benefit everyone.

At **7:30 pm** there will be "A Luxury Voyage to Monaco and Tahiti" a VIP party organized **The Monaco Tourism Board** and supported by APSA.

After a busy Friday we will have relaxed **networking sundowner drinks** at the **APSA LOUNGE** on both Saturday and Sunday, at 6pm. Non-members are always welcome to come and find out what APSA is about. It is not expensive to join us, and together we are making ASIA a more powerful destination for the world's superyachts.

I want to wish all our members and friends happy and successful **Singapore Yacht Show!**

APSA Chairman
